What are “Flex” dollars?

Flex dollars are given with a meal plan to be used in Sodexo retail stores (e.g. Common Grounds, Casa Del Tigre, Jazzmans). All of our plans now provide “flex” dollars which can be used in any of the Sodexo locations and is a nice option for “a la carte” meals or snacks for the student. They are separate from Tiger Dollars and cannot be used in any other locations other than those operated by Sodexo Campus Dining.

TIGER DOLLARS

“Tiger Dollars” may be purchased in increments of \$100, \$150, \$200 during housing plan sign-ups. This amount will be billed to your student account in the Fall AND Spring semester. Tiger Dollars are accepted both on and off campus. On campus the card is accepted at some Sodexo food service locations, at vending machines, at the campus bookstore and post office, for campus printing and for tickets for campus events. Off-campus it is accepted at fifteen local vendors including twelve food places, one laundry center, and one bowling alley. Tiger Dollars will roll over each semester until you leave Olivet, at that point your account will be closed and you will be charged up to a \$5.00 service fee. Any money remaining after this fee will be applied to your school bill. If you do not have a balance on your student account, the money will be refunded to you.

DISCOUNT CARD

Select the Discount Card when signing up for housing plans to purchase the 2017-18 discount card for \$42.00 which is then billed to your student account in the fall. There are 25 area businesses and restaurants offering discounts. Most popular is the 50% off selected Olivet student events. This is a must have for any undergrad. Cards purchased during Orientation will be mailed to campus mailboxes during fall move-in days.
